

MSH ED/Express Care Strep Testing

Date Created: 5/4/2023

Strep Testing Options			
Order	Collection Kit	Swab/Kit Color	Turnaround Time
"Rapid Group A Strep PCR"	BD ESwab Collection & Transport System for Aerobic, Anaerobic, & Fastidious Bacteria	White top	~3 hours
"Rapid Strep A PCR (POCT)"	BD ESwab Collection & Transport System for Aerobic, Anaerobic, & Fastidious Bacteria	White top	15 minutes (this is the strep LIAT)

*If Strep LIAT is negative, you do not need to send a sample to the lab - both are PCR tests.

*Throat cultures are no longer indicated
