

# Standard Operating Procedure for **Patients with Sickle Cell Disease**

## in the Rapid Evaluation and Treatment Unit (RETU)

1. **All patients admitted to RETU (Mon-Fri) with SCD should receive a consultation from the Sickle Cell Team**
  - a. **The Sickle Cell Advanced Practice Provider (SCD-APP) is available for consultation M-F, 7 AM – 4:30 PM.** The SCD-APP's consultation note can be found as a "Progress Note" labeled as "Hematology/Sickle Cell Team RETU Consultation Note." The SCD-APP can be paged through AMION (or by calling the numbers listed below)
  - b. For patients admitted in the evening (after 4:30, Mon-Fri), weekends or holidays, please page the Hematology Fellow through AMION for consultation on an as needed basis
2. **All patients admitted to RETU with SCD should receive a consultation from the Chronic Pain Service**
  - a. Chronic Pain team can be reached 24/7: pager 3092; cell: 646-592-0084
3. **Patients should follow-up with a sickle cell specialist within 2 weeks of discharge**
  - a. The SCD-APP will arrange appointments for patients affiliated with or who wish to establish care in Mount Sinai's Adult Program for SCD or Mount Sinai Morningside's SCD program
  - b. For patients admitted and discharged over weekend, and please email [RTCScheduling@mountsinai.org](mailto:RTCScheduling@mountsinai.org)
