

The William F. Ryan Community Health Center, a Federally Qualified Health Center (FQHC), has provided high quality, affordable, culturally and linguistically competent, primary, preventive, specialty health care and support services to impoverished and medically underserved populations in Manhattan since 1967.

The Ryan Network's six main sites are listed below with the fax number for faxing Protected Health Information. The Call Center number below can be used to reach all sites by phone. In addition, Ryan operates sites in three homeless shelters and two rehabilitation centers; six school-based health centers; and a fully equipped mobile medical van.

RYAN NETWORK CALL CENTER: 212-749-1820
