

Making a Call from Haiku/Canto

- Make or receive a phone call using Haiku/Canto
- **Calls can be made from anywhere you see provider or patient name.**
- The most common activities to make calls from are
 - Patient Care Team
 - Staff Directory

FROM CHART/ENCOUNTER

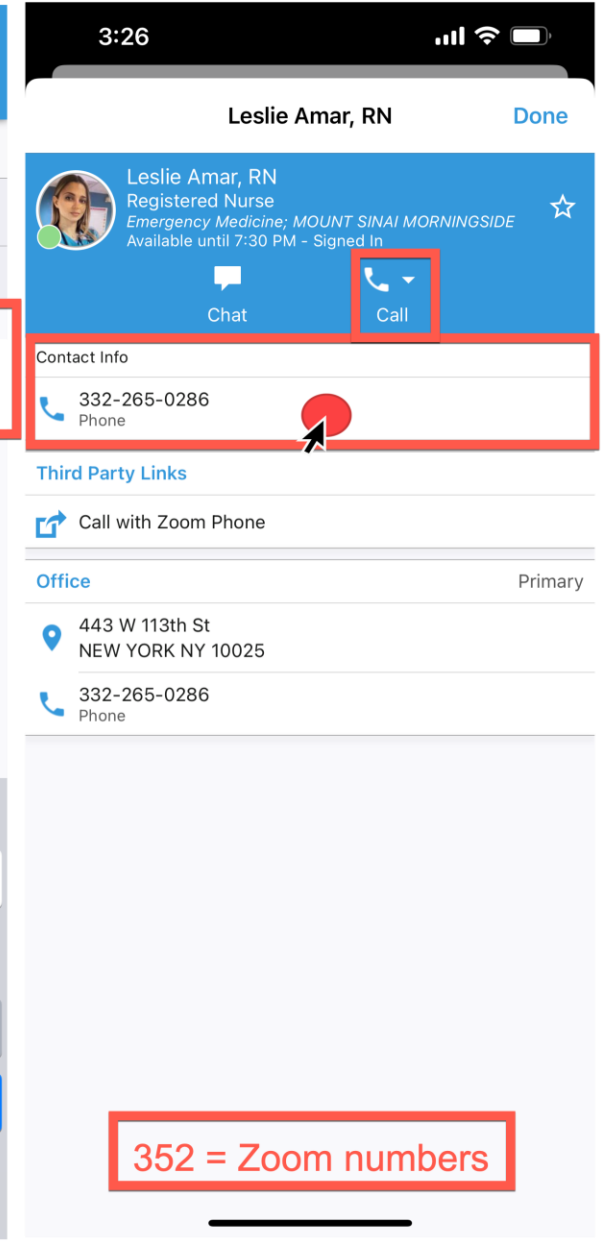

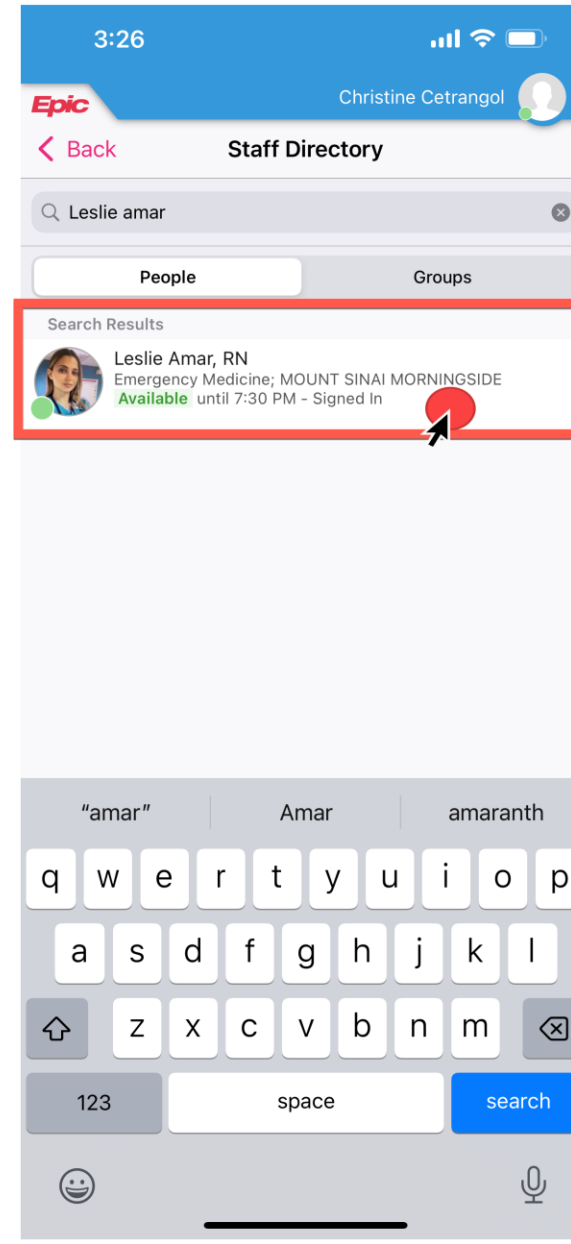

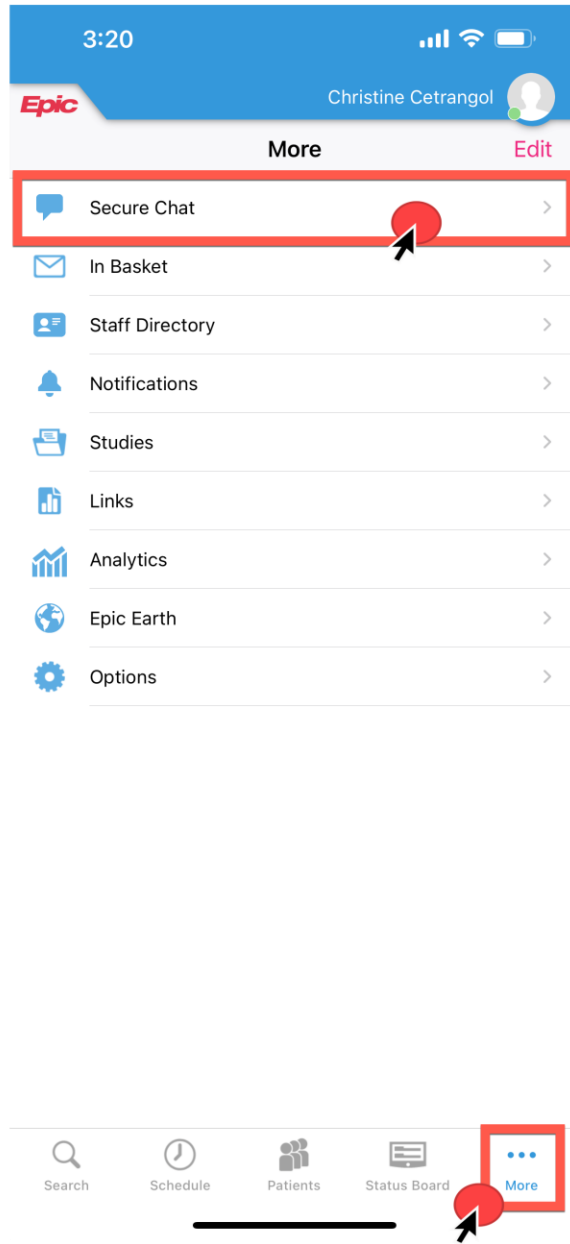

The screenshot displays the Epic mobile application interface for a patient encounter. At the top, the status bar shows the time as 3:25 and signal/battery icons. The patient header includes a back arrow, a profile icon, and the name 'Clemons, Henry' with demographic details: 'M 82y (8/1/1940) MRN: 8296624', 'Full Code | Cardiac 2A', and 'No active principal problem'. The 'Epic' logo is in the top right corner. Below the header, the 'Care Team' section is visible, listing 'Admitting Provider' and 'Attending Provider' as 'Elizabeth Zipf, MD'. The 'Patient Treatment Team' section lists several team members with their roles and a 'Relationship' column. A red box highlights the 'Care Team' icon in the bottom navigation bar, which also includes icons for 'Media', 'Orders', and 'Care Ev'. A red circle with a white arrow points to the 'Care Team' icon.
