Kravis Children's ED Admit to Inpatient Pediatrics Pathway

If PICU admission is needed, do NOT follow this pathway

Admitting Patient to Inpatient Floor

Before Placing Admit Order, Answer Questions to the Right

Place "ED Admit to Pediatrics" Order in Epic

Does the Patient Need:

1. Isolation precautions?

If yes: click the appropriate precautions in order

2. Telemetry or apnea monitoring?

If yes: click "Peds Apnea/Telemetry"

Bed will be assigned on P4 South

If no: click "General Care"

Bed will be assigned on P5

3. Hospitalist or Subspecialty service?

Blue/Green: Hospitalist
Yellow: Liver, Renal, GI-IBD, Neuro
Red: Heme/Onc

ED Resident Starts Epic Chat with Senior Admitting Resident (SAR)

SAR name is listed on Amion (Who's On: Pediatrics - MSH)

Please include one liner about:

- Reason for admission
 - Intended service

SAR Determines Team Assignment and Adds Relevant Members to the Chat

From the time of Epic Chat notifying of admission, inpatient team has 30 minutes to call the ED team for sign-out, unless otherwise specified

If there is no EPIC chat response, please reach to the SAR at: (646)-220-9939

Once verbal sign-out has occurred, EM Resident must complete "Admission Handoff Documentation" section in an ED Progress note in order for Bedboard to complete bed assignment.
